### REFLECTION QUESTIONS

Here are a few psalms that are "songs of nostalgia": **77, 78, 81, 105, 106, 136**

*What are the songs that can immediately transport you to a different time and place in your memories? What memories do they take you back to?*

*When you think back on your life, what are some of the moments when you have most clearly sensed God's presence and work?*
